MD exam 11th of June 1982
Pedagogic Course for University Teachers 18th May 1983
MD license 8th of August 1986
Asst Prof 23rd Nov 1984 in Cell Research
Board Certificate in Infectious Diseases 17th of April 1991
Special Education for Research Teachers 10-11th June 1996
Certificate of Good Standing 6th Oct 1999
Asst Prof Infectious Diseases 14th Dec 2001

POST-GRADUATE COURSES

1994 6th Int Symp on Current Topics in Infectious Diseases, Grindelwald,
Switzerland
1995 Berzelius Symposium "Vaccines for the year 2000", Gothenburg, Sweden
1995 Clinical Trial Methodology, Medical Products Agency, Tällberg, Sweden
1995 Berzelius Symp "Immunology and insulin dependent diabetes mellitus",
Uppsala
1995 5th International Cytomegalovirus Conference, Stockholm, Sweden
1995 Influenza vaccine symposium, Uppsala, Sweden
1996 Infections in nature, Skagen Denmark
1996 Forum for infections, Riksgränsen, Sweden
1997 Astra Research Centre and Harvard Medical School, Boston, USA
1998 Course Infectious Disease Specialists, Mallorca, Spain
1998 New quinolones, grepafloxacin, Stockholm, Sweden
1998 Symposium infectious diseases, Höglekardalen, Sweden
1998 Methodology for clinical trials, Uppsala, Sweden
1998 Symposium on Zoonoses, Falsterbo
1999 Meeting for Infectious Disease Specialists, Falun, Sweden
1999 Infections in nature, Öland, Sweden
1999 Day of Antibiotics, Arlanda, Stockholm 19th Jan

1999 Pneumonia study Prague, Chechen 5th Nov
 2000 Advanced training infectious disease specialists Lago Maggiore, Italy
 2000 7th Western Pacific Congress of Chemotherapy and Infectious Diseases, Hong Kong
 2000 Day of antibiotics, Arlanda, Sweden
 2000 Swedish Institute for Infectious Disease Control, Polio and enterovirus-invited speaker
 3rd May
 2000 Infections in Nature, Varberg, Sweden sept
 2000 Pneumonia study Amsterdam 26th Sept
 2000 Chlamydia symposium, Stockholm
 2001 Infektionsforum, Riksgränsen, Sweden
 2002 Infections in Nature, Gotland, Sweden September
 2003 Society for Swedish Infectious Disease Physicians spring meeting, Eskilstuna 21-3rd
 May
 2003 Infections in Nature, Öland, Sweden September
 2004 Swedish Society for Medical Microbiologists spring meeting, Kalmar, April
 2004 Society for Swedish Infectious Disease Physicians spring meeting, Skövde, 12-14th
 May
 2004 Workshop on “biologic” treatment for rheumatic diseases, Skytteholm, Stockholm,
 27th May
 2005 2nd Workshop on “biologic” treatment for rheumatic diseases, Stockholm
 2006 ECCMID (16th European Congres for Clinical Microbiology and Infectious Diseases)
 Nice 1-4 April

Employment History

1 st April 1972-1st June 1977 Biochemistry, Uppsala University	PhD studies at the Institute of
9 th Sept 1978-31st Oct 1984 Cell Wallenberg Laboratory, Uppsala Univeristy	Research Assistant at the Institute of Research,

Pedagogic merits

Courses at the Biochemical Institute, Uppsala University, BMC, with responsibility for laborations 1972-5. Single lectures for medical students. C-course (research education) in sequencing and protein structure every year.

Co-Supervisor for Peter Lind with thesis 1981

At the Institute for Cell Research no formal education was held, but many lectures were given both nationally and internationally. Co-Supervisor for Ivan Kamensky with dissertation 1983. Seminar series in protein and macromolecular chemistry 1981-2.

Lecture about diabetes for doctorands arranged by Centre for Diabetes Research

Lecturer for Specialist trainees (NLV-kurs) about peri-, myo- and endocarditis 1988

Lecture at the institute for medical education diabetes mellitus 1989

Partial supervisor for Lars Wesslén and Karlis Pauksen

Clinical Assistant (Lectures, Seminars) for medical students autumn 1992 and 1993

Lecture antibiotics in clinical bacteriology for med students 1991-3

Supervisor for medical students at the Department for Infectious Diseases 1986-2002

Partial Supervisor for Anders Lannergård, Eva Funseth and Anders Hjalmarsson

Research service (ALF-tjänst) for development of pedagogic computer program (Infactive) 6 weeks 1993, 6 weeks 1994 and 4 weeks 1995

Internal Education for Pfizer drug company, Lofoten, Norway during summer 1994 especially related to upper airway infections

Lecture about atherosclerosis, Pfizer, Berlin april 1995

Development of Infactive, which was presented at a computer exhibition (Medcal computer-assisted learning in Medicine) 18th April 1996

Supervisor for a Chinese Student Shusheng Zuo for 2 years

Co-supervisor for research student Robert Aspholm working with enterovirus

Clinical assistant for medical students spring 1998, in all 24 h lectures and 1999

Supervisor for Anders Wallensten working on vascular biopsy material

Co-supervisor for Nahla Mohamed and Amal El-Faitouri with thesis 6th October 2006 and 12th December 2006 resp

Lecture for course in molecular biology, Institute for Immunology and Virology every term 1995-98

Lecture for physiotherapist spring term 2000 "Infections and training"

Lecture Infectious Disease Trainees 21st Sept 2001-"Unusual upper airway infections-Chlamydomphila pneumoniae

Invited lecture for KLIMIK (Kongress för kliniska mikrobiologer och infektionsläkare) Adana, Turkey 15-19th Oct 2001 "Treatment of Hepatitis C"

Clinical Assistant term 5 medical students patient demonstrations and lecture about CNS-diseases and exanthema 3rd Dec-20th Jan 2002

Lecture about serious infections General Practitioners, Växjö Central Hospital 2003

Lecture about Endocarditis Medical Clinic, Växjö Central Hospital 2004

Lecture CNS-infections, Residence Students 2003 and Medical Doctors 2004

Lecture PCR technology, Personnel, Infectious Disease Clinic 2004
